

CURRICULUM VITAE

As a founder and partner at LIZANO AVOCAT, I deal with personal injury cases including road traffic accidents, medical negligence, assaults, personal life accidents, working accidents, travelling or sport accidents.

I represent and help victims sustaining brain injuries, amputations in need of prosthetic equipments, paralysis and polytrauma.

I provide support for victims in order to get compensation in the context of amicable or legal proceedings against the third party.

In 2022, my lawfirm won the first prize with a specific degree in Medical Negligence Proceedings.
